

Louise Candy Davis, Better Than Blessed

I'm blessed better than blest praise the Lord -
I'm blessed better than blest praise the Lord
I may not have houses and Wealth - I may not have all my strength and health
but I'm blest better than blessed praise the Lord
Many times I had to learn my lesson - for I did not , I did not appreciate my blessings - I complained
and I know I'm blessed, better than blessed thank you Lord
I've got no mind to complain at any time- Got God mixed my clouds with the bright sunshine - Thou
I know, I know, it'll take my poor soul on home
and I'm blessed better than blessed thank you Lord
I've got God the Father walking before me -
I've got his son Jesus Christ walking beside me,
I've got the Holy Spirit within me - and I've got all of God's Angels all around me
and I know I'm blessed, better than blessed thank you Lord
I'm blessed better than blest praise the Lord -
I'm blessed better than blest praise the Lord
I may not have houses and Wealth - I may not have all my strength and health
but I'm blest better than blessed I wanna thank you Thank you Lord I'm
I know I'm blessed, better, better than blessed I wanna thank you
