

Louise, For Your Eyes Only

Turn the TV off
Let's unplug the phone
Pretend that there is no, one home
Turn the lights down low
I'll draw the blinds
I think it's time to stop the show
Baby relax, lay back on the bed
You don't have to move, I'll do the rest

This is for your eyes only
This is for your eyes only, yeah
I'm takin' off my clothes
Baby i'm in control
This is for your eyes alone

Take it nice and slow
Hold back the flow
I want you to last all night
You have to go on, you got to be strong
Boy I wanna do you right
Look but don't touch
I want you to plead
Don't close your eyes, I want you to see

This is for your eyes only
This is for your eyes only, yeah
There's a mirror on the wall
Baby let's do it all
This is for your eyes alone

Oh it feels so good
Just like I knew, it would
keep it going on strong
And we'll go on and on and on

Oh yeah, oh yeah
Oh yeah, oh yeah

Baby relax, lay back on the bed
You don't have to move I'll do the rest

This is for your eyes only
This is for your eyes only, yeah
I'm takin' off my clothes
Baby i'm in control
This is for your eyes alone

For your eyes only
For your eyes only
For your eyes only
For your eyes only
For your eyes only
For your eyes only
For your eyes only
