

Love, And More

Verse 1:

Love me for a little while
Love me if you can
'Cause I want to be your man
And I want to understand You
Ah...

Verse 2:

If you try to follow, girl
Please stay close behind
'Cause I wanna be with you
And I wanna love you too
Or three

Chorus:

Ah, ah, ah
Ah...
Ah, ah, ah

Bridge:

I don't want to waste your time
I just want to make you mine
Ah... whoa-oh-ah

Verse 3:

One, two, three, four, I love you
And I always will
'Til the sun falls off the sky
Gonna love you 'til I die
And more

[repeat chorus]
