

Love, Andmoreagain

Verse 1:

And if you'll see Andmoreagain
Then you will know Andmoreagain
For you can see you in her eyes
Then you feel your heart beating
Thrum-pum-pum-pum

Verse 2:

And when you've given all you had
And everything still turns out
Bad, and all your secrets are your own
Then you feel your heart beating
Thrum-pum-pum-pum

Bridge:

And I'm
Wrapped in my armor
But my things are material
And I'm
Lost in confusions
'Cause my things are material

Post-bridge:

And you don't know how much
I love you
Oh, oh, oh...

Verse 3:

And if you'll see Andmoreagain
Then you might be Andmoreagain
For you just wish and you are here
Then you feel your heart beating
Thrum-pum-pum-pum
