

Love me or hate me, Love me or hate me

Yeah,
It's officially the biggest midget in the game.
I dunno.

Make way for the S.O.V.

[Chorus]

Love me or hate me, its still an obsession.

Love me or hate me, that is the question.

If you love me then Thank you!

If you hate me then F*** you!

[repeat]

I'm fat, I need a diet.

No, in fact i'm just too light

And i ain't got the biggest breast-s-s, but i write all the best disses.

I got hairy armpits, but i don't walk around like this.

i wear a big baggy t-shirt that hides that nasty sh**.

Ugh!

Never had my nails done.

Bite them down until they're numb.

I'm the one with the non-existent bum,

Now i dont really give a....Ugh!

I'm late for my shepherd's pie

Like a high maintenance chick missin' her diamonds.

I'm missin' my clippers size.

Now bow down to your royal highness.

No i dont own a corgi,

Had a hamster, it died cuz i ignored it.

Go on then, go on report me,

I'm English, try and deport me!

[Chorus]

Love me or hate me, its still an obsession.

Love me or hate me, that is the question.

If you love me then Thank you!

If you hate me then F*** you!

[repeat]

I'm that funky little monkey with the tiniest ears.

i don't like drinkin fancy champy,

I'll stick wit Heineken beers.

Whoops, might burp in ya face,

A little unlady-like,

What can i say?

Well oh gosh i'm not posh, male wit odd socks.

I do what i'm doin YEAH!

So everybody's entitled to opinions,

I open my mouth and sh** i got millions.

I'm the middle kid, the riddle kid,

I'll make you giggle till your sick

Cuz my nose jiggles while i spit.

Yeah i do have some stories

And its true i want all the glory.

Go on then, come on support,

I'm English, try and deport me!

[Chorus]

Love me or hate me, its still an obsession.

Love me or hate me, that is the question.

If you love me then Thank you!

If you hate me then F*** you!

[repeat]

So i cant dance and i really cant sing.

I can only do one thing,

And that's be Lady Sovereign!

So i cant dance and i really cant sing.

I can only do one thing,

And that's be Lady Sovereign!

[Chorus]

Love me or hate me, its still an obsession.
Love me or hate me, that is the question.
If you love me then Thank you!
If you hate me then F*** you!
[repeat]
