Loverboy, Hot Girls In Love

She's so young at heart She likes the pleasure of his company She cuts the inside groove With her silver spoon She likes her tapes on 10 And it's the same as her anatomy She's on a rainbow cruise All the way to my room

She's turnin' on the heat She's got the magic touch She's turnin' on the heat And it's a little too much She's turnin' on the heat And it's a hundred above yeah Hot girls in love I'm in love

Too many men to please She counts them all on her rosary You know you might get burned So be careful where you touch She gets it when she can Don't need no anniversary And she deserves the best yeah A cut above the rest

She's turnin' on the heat She's got the magic touch She's turnin' on the heat Ooooh it's a little too much She's turnin' on the heat And it's a hundred above Hot girls in love And baby I'm in love

Some say she do Some say she don't Some say she will And some say she won't Some say she can't Well I know she can I say I got to be Her lovin' man

She's turnin' on the heat She's got the magic touch She's turnin' on the heat Ooooh and it's a little too much She's turnin' on the heat It's a hundred above Hot girls in love Hot girls in love It's a hundred above Hot girls in love
