

# Lovex, Runaway

On the streets where you live girls talk about their social lives  
They're made of lipstick, plastic and paint  
a touch of sable in their eyes  
All your life, all your life,  
all you've asked when's your daddy gonna talk to you  
she was living in an other world  
Tryin' to get her message through  
No-one heard a single word you said  
they should have seen it in your eyes  
What was going round your head

refren:

Ooh, she's a little runaway  
Daddy's girl learned fast  
All those things he couldn't say  
Ooh she's a little runaway  
A different line every night, guaranteed to blow your mind  
I see you out on the streets  
Combing for a wild time  
So you sit home alone 'cause there's nothing left that you can do  
There's only pictures hung in the shadows  
Left there to look at you  
You know she likes the lights at night on the neon Broadway signs  
She don't really mind  
It's only love she hopes to find

refren

No-one heard a single word you said  
They should have seen it in your eyes  
What was going round your head  
Ooh, she's a little runaway  
Daddy's girl learned fast  
All those things he couldn't say  
Ooh she's a little runaway  
Daddy's girl learned fast  
Now she works the night away
