Low, If You Were Born Today (Song For Little Ba

If you were born today
We&#039;d kill ya by age eight
Never get the chance to say:

Joy to the world and

Peace on the earth
Forgive them for they know not what they do

Blessed are the meek and

Blessed are the humble
Blessed are the ninety and nine

Deny the flesh

Deny all that&#039;s evil
Tonight you&#039;ll deny me thrice

If you were born today

We&#039;d kill ya by age eight
Never get the chance to say...

Ooooo...
