

# Low, Joan Of Arc

Joan of Arc  
Will never save you now  
But then Joan of Arc  
Never promised much

She never knew your name, love  
She never knew your name  
O-oh

Such a precious hand  
Such a guilty hand  
O-oh

Joan of Arc  
Will never save you now  
But then Joan of Arc  
Never promised much

Joan of Arc  
Will never save you now  
But then Joan of Arc  
Never promised much

Oooooo
