

# LP, No Witness

How do I get you outta my head  
How do I get you back in my bed

Tell me your crazy  
Tell me you're scared  
Tell me you still love what you had, no

When there's no more sins to care about  
And the hard rain hard times pour on down  
When it's all been said and done  
No one can save me

Bear me no witness /2x  
Tell me now  
How many highs can get me so down  
Cuz it don't matter how many times I go round  
Help me Lord,  
Bear me no witness

No one can save me  
Love me or hate me  
I'll keep on waiting  
Nothing I won't do

Tame you my love like a street cut drug  
Never know what you're really made of, no
