

Lubjan, Hymn To Music

I clothe with clouds
And I find
My time to dare

I shut my umber eyes
And listen to the wind
I'm still in flight

Where music and moonlight and feeling are one
Where music and moonlight and feeling are one
Where music and moonlight and feeling

You are in me
No matter what I may try to do to spoil you

I take with me
A bit of your infinity
And I want to stay

Where music and moonlight and feeling are one
Where music and moonlight and feeling are one
Where music and moonlight and feeling

I am so sure
As I was yesterday and I will be tomorrow

There will be time
Time for me and time enough
There'll be time to reside..

Where music and moonlight and feeling are one
Where music and moonlight and feeling are one
Where music and moonlight and feeling

A warmth as near as if the star
Was shining in my hand
It's more than giving names to things and even more

Where music and moonlight and feeling are one
Where music and moonlight and feeling are one
Where music and moonlight and feeling
