

Lucas Prata, And She Said

Wa oh
(Do u believe?)
Wa oh
(Do you believe?)

I'm driving home the road is wet its raining
But I just can't wait to get to you tonight
I thought of what we did last night its got me crazy
And I can't think of anything but you

Do you believe we happened for a reason?
('Cuz you know I do)
And could you believe that this was ment to be?

And she said yeah yeah yeah (yeah yeah yeah) ooh oh (ooh oh) Yeah yeah yeah (yeah yeah ye

And she said yeah yeah yeah (yeah yeah yeah) ooh oh (ooh oh) Yeah yeah yeah (yeah yeah ye

The way your body moves is so amazing
I just can't wait to show you what I do
The way you get so cool it must be freezing
I pull you close I'll give my heat to you

Do you believe we happened for a reason?
('Cuz you know I do)
And could you believe that this was ment to be?

And she said yeah yeah yeah (yeah yeah yeah) ooh oh (ooh oh)
