

# Lucas Prata, Fall In Love

I think I'm falling in love  
I think I'm fallin baby (x2)  
with you(x2)  
I think I'm fallin baby  
I remember the first day that I saw you  
I thought there's something about you I already knew  
So how is it baby that we never met before  
Cause now that I know you girl there's nothing I want more  
I think I'm falling in love  
I think I'm fallin baby (x2)  
with you(x2)  
I think I'm fallin baby  
I lie awake at night just to watch you sleep  
and then you smile that way it makes me weak  
I never thought that I would find someone to love  
Dontcha you know you're my angel girl sent from up above  
I think I'm falling in love  
I think I'm fallin baby (x2)  
with you(x2)  
I think I'm fallin baby  
Girl you made it so easy to tell you how i feel  
I never thought in this lifetime i would find a love so real  
I think I'm falling in love  
I think I'm fallin baby (x6)  
with you
