## Lucid, I Can't Help Myself

i cant help, i cant help myself (x5)i remember the times, i cant leave from behind and i can't let go i can't help myself, i can't help myself can't escape from my mind, there's also times when i can't let my feelings show i can't help myself, i can't help myself i can't help myself i can't help myself i remember the times, i can't leave from behind and i can't let go can't escape from my mind, there's also times when i can't let my feelings show days are gone now, when i seem so lost, stay with me till morning comes until morning comes... i can't help myseeeeeeeeeeeeeeeelf i can't help myself, i can't help myself i can't help myseeeeeeelf
