

# Luciferion, Rebel Souls

Rise!: rebels of seas  
Crush!: the sanctuary  
Fly up out of  
The abyss of hell  
Rain!: in blasphemy

Ride!: strangers of light  
Feel!: the beast inside  
Lead me onto  
The altars of death  
Sense!: Satan's might

Feel!: the anger inside  
Curse of a thousand skies  
Dark troops follow  
The legions of death  
Bring!: the sacrifice
