

# Lucinda Williams, Prove My Love

We all make mistakes sometimes  
And I have made my share of mine  
But if I have to, I'll walk the line  
Just to prove my love

You know I'd give everything I've got  
And I what I'd give would be a lot  
I would smooth out all the rough spots  
Just to prove my love

Let me prove my love for you  
Let me do whatever I can do  
Let me show my heart is true  
Let me prove my love for you

There was a time way back when  
The words we spoke were sweeter then  
We can have those times again  
Let me prove my love

Let me prove my love for you  
Let me do whatever I can do  
Let me show my heart is true  
Let me prove my love for you  
Let me prove my love for you
