

Lucinda Williams, Still I Long For Your Kiss

I know I shouldn't but I want you so bad
I know it couldn't be but I want what we had
I know our love is gone and I can't bring it back
Still I long for your kiss
Still I long for your kiss
I know it's over cause you told me so
I tried to leave but I can't let you go
I can't believe you don't want me no more
Still I long for your kiss
Still I long for your kiss
The days go by but they don't seem the same
I cry and cry and I call out your name
I go downtown I see your face
Nobody around can take your place
But you put me down
But you turned me away
Still I long for your kiss
Still I long for your kiss

The days go by but they don't seem the same
I cry and cry and I call out your name
I go downtown I see your face
Nobody around can take your place
But you put me down

But you turned me away
Still I long for your kiss
Still I long for your kiss
