

# Lucinda Williams, Still I Long For Your Kiss

I know I shouldn't but I want you so bad  
I know it couldn't be but I want what we had  
I know our love is gone and I can't bring it back  
Still I long for your kiss  
Still I long for your kiss  
I know it's over cause you told me so  
I tried to leave but I can't let you go  
I can't believe you don't want me no more  
Still I long for your kiss  
Still I long for your kiss  
The days go by but they don't seem the same  
I cry and cry and I call out your name  
I go downtown I see your face  
Nobody around can take your place  
But you put me down  
But you turned me away  
Still I long for your kiss  
Still I long for your kiss

The days go by but they don't seem the same  
I cry and cry and I call out your name  
I go downtown I see your face  
Nobody around can take your place  
But you put me down

But you turned me away  
Still I long for your kiss  
Still I long for your kiss
