Its the last time that I'll cry
Since i've figured out what your hearts about.
The picture you gave me, the day you met me
Back filled with words for us and love is all about.

Trust I wanna forget you (What happened to our trust)
All the times we shared (What happened to our trust)

All the pain i've beared.

Its the last time that I'll smile
you say your heaven sent two lighting srikes again.
Don't laugh at me now, i'm gonna show you how
memories fades the dust and love is all about.

Chorus

How am i gonna get through,
when i can not tell you how i feel?
And now the memories fade to dust,
Love is gone, what ever happened to trust? Trust, trust, trust.

Its the last time that I'll cry,

What happened to our

Chorus

Trust i wanna forget you (it's the last time that i'll cry)
Trust i wanna forget you (its the last time that I'll cry)
Trust i wanna forget you (its the last time that i'll cry)
