

Lucky Boys Confusion, 50 Of My Closest Friends

The radio/dj plays our favorite song it's what keeps me holding on
Baby do you miss me now that I'm gone

Do you miss me
I remember the day that you told me you wanted to find another man

Now I hear you cry every time we play Arizona Stand

Now I'm standing here with 50 of my friends and a keg of Killians

And you're at home with your Ani Difranco tapes again
