

Lucky Dube, I've Got You Babe

I have gone right round the world
Trying to find a women
A women that I understand me (x2)
All the women I had before
Never understood me

Now that I've found you baby
I ain't gonna look no further (x3)
It's so nice when you're there
So nice so nice
I love you I love you I love you I love you I love you

I've got you babe to make me feel alright (x3)
I've got you babe to make me feel alright (x3)

Baby you know how much I need you baby
Please never leave me baby
Never leave me ooh...

ayo ayo
ayo ayo (x7)
You know baby my life depends on you
You are my future you are everything I got
Please baby please baby yeah...

I've got you babe to make me feel alright (x3)
I've got you babe to make me feel alright (x3)
