

Lucky Dube, Reggae Strong

Reggae in the bathroom
Reggae in the bedroom
Reggae everywhere
Reggae in jail, reggae in church
Everybody likes it
They tried to kill it
Many years ago
Killing the prophets of reggae
Destroying the prophets of reggae
But somebody said
To all the bald heads
Respect the rastaman
'Cos he 's the only one
Only one left in jah creation

Chorus:
Nobody can stop reggae (x3)
'Cos reggaes strong

You can change the style
Of playing reggae
You can change the
Rhythm of playing reggae
But never ever
Change the message
Everytime I play it a Babylon
A wish me fe dead (x2)

They tried to destroy it
Many years ago
Killing the prophets of reggae
Killing the prophets of reggae
But somebody said to all
The bald heads

Chorus till fade
