

Lucy Pearl, You (Feat. Snoop Dogg And Q-Tip)

I put it down for the LBC
(I put it down for a place called Queens)
You know I represent the 2-1-3
(I hold it down for The Big City)
I keep it gangsta for all my young G's
(all the P-Y-T's with they own car keys)
I put it down for all the ladies
(ladies ladies ladies)
It's all about you
Skin It Back (It's all about you, you baby)
Ali Baba (It's all about you)
Lucy Pearl (so what'chu want?)
all of the world (It's all about you)
we're going dancin', that is fo' sho

I tried to look the other way
but there you pass me by (pass me by)
I saw you holding Q-Tips hand and girl I damn near died
the way you hold that Cosmo
just fits you to a tee
but I just wish that you were sitting right next to me
I wonder what was on God's mind
the day that he made you
I know he wrote a new commandment after he was through
but everytime I see you
I find something new
but I just gotta have you

Chorus:

I really want you
I just gotta have you
I really want you
I just gotta have you

me and nephew Snoop was eating at the Serving Spoon
and my partner Skin It Back was sitting with us too
and all of a sudden your body was in sight
I couldn't finish breakfast
now something just aint right
now Snoop is looking like: "What the hell is wrong with you"
I said: "I know you understand you've been through a few"
but this one was special - aspecial' to me
is it just my imagination
killing me

Chorus:

all I ever want is you
I just got to have you
now all I really want is you
you (all I really want)

I can't fake it no more
I can't take it no more
I need you in my life for sure
my wife for sure
no turning back
it's on and crackin'
pure satisfaction
girl, that's what's haps

I appropriate game
u know my name
abstract hits
and the bad times split

a man need a lady no matter the kind
a diamond shinin' like you
u know its hard to find

time brings change
and change brings time
my nephew wants you cuz u so fine

a woman choose a man
that's a real motif
make your choice
cuz me and Ray
we never have beef
me and Snoop we go hard
real macaronis
why u think that we want to have the ceremony
Snoop Sogg

is something special bout you baby boo
I need to know right here right now
what you really want to do
