and i'm gonna make 'em dance, so i  
can see 'em shake they ass, then i'll  
put 'em in a trance, 'til i  
get 'em out them pants, then i'll  
take 'em to a level that they mighta never been to befo'  
we gon' hit the do' and then hit the flo' you'll get hit below  
i got somebody i want you to get to know - me!

flip and run 'em back cause i'm back to stick her  
and flow up on the track like it's full of li-quer!

(chorus: Ludacris)

with a flow so fast i'm ahead of my rhyme

with a six-year run havin a hell of a time  
cauuuuse i'm always lookin for some girls gone willlld (gone willlld)  
i'm just tryin to make these girls all smillle (all smillle)  
and i'm gonna get 'em high, 'til i

make 'em wonder why, why  
why am i so fly, cause i  
take 'em to a level that they mighta never been to befo'  
we gon' hit the do' and then hit the flo' you'll get hit below  
i got somebody i want you to get to know - me!

if you haven't heard, go and ask a neighbor  
i'm like hot sauce with extra flavor  
so put it on your tongue for your mouth to savor!
