

Ludacris, Money Maker

[REF:]

Shake your money maker
Like somebody bout to pay you
I see you on my radar
Don't you act like you faker

She...

You know I got it
If you wanna come get it
Stand next to this money
Like - ey ey ey

Shake your money maker
Like somebody bout to pay you
Don't worry about them haters
Keep your nose up in the air

You know I got it
If you wanna come get it
Stand next to this money

Shake shake shake your money maker

Like you was shaking it for some paper
Took your mama 9 months to make ya
Might as well shake what your mama gave ya

You you lookin good in them jeans
I bet you look even beter with me in between

I keep my mind on my money, money on my mind
But you's a hell of a distraction when you shake your behind

I got my hoe on my right side
Pouring some cups
My whole hood is on to left
But they ain't giving a fuck

So feel free to get loose
And get carried away
So by tomorrow you forget what you where saying today
But don't forget about this feeling
That I'm making you get
And all the calories you burn
From me making you sweat

The mile high points you earn
When we taking my jet
And how everywhere you turn I'll be making you wet cause you can

[Pharrell]

Switch, switch, switch it from right to left

And switch it till you running right out of breath
And take a break until you ready again
And you can invite over as many friends
As you want to, but i really want you, just
Be thankful that Pharrel gave you something to bump to
Hey hey
Luda - I am on top of my game
You want my hands from your bottom to the top of your frame
And I - just wanna take a little ride on your curves
And get erotic giving your body what it deserves

Let me give you some swimming lessons on the penis
Backstroke, breaststroke, stroke of a genius

Yup call me the renaissance man get up and
I stay harder then a cinderblock man
Hey i'm just a bedroom gangster
And I been meaning to tell you that
I really must thank ya when yo

Shake your money maker
Like somebody about to pay you
I see you on my radar
Don't you act like you are faker

Rock, rock, rock it and make it work, girl
Please don't stop untill it hurts, girl
You - you been looking a little tipsy
So if you could just shake it a little this way

See I'm a member of the BBC
The original breadwinner of DTP
And You the center of attention that's distracting the squad
Cause everybody in the camp is like - oh my god, she can
