

LUH, Beneath the Concrete

When yr eyes gon square from spectacle glare
dead desert Religion turnt 451F
reality reduced to a reflection
of yr black mirror Fantasy

Don't worry about a Thing!
This world is not all that it seems:
Beneath the Concrete;
the Beach!
Hear Sands of the infinite sing
All We Are is People Trying !
All We Are is People Trying to Live !
Trying to Live a Life that Means Something !
Trying to Live a Life that Means Something More !
