

Luke Bryan, All My Friends Say

I got smoke in my hair
My clothes thrown everywhere
Woke up in my rockin' chair
Holdin' a beer in my hand
Sportin' a neon tan

My stereo cranked up
I can't find my truck
How'd I get home from the club
Don't have a clue what went down
So I started callin' around

And all my friends say
I started shootin' doubles
When you walked in
All my friends say
I went a little crazy
Seeing you with him

You know I don't remember a thing
But they say I sure was raisin' some cain
I was a rock star, party hard
Gettin' over you comeback kid
Hey I musta did
What all my friends say
Yeah, yeah, yeah

I found my billfold
I cried oh no, no
Good time Charlie got me
Now I'm broke
But it was worth actin' like a fool
Yeah, girl, I must really showed you

Cuz all my friends say
I started shootin' doubles when you walk in
All my friends say
I went a little crazy
Seein' you with him

You know I don't remember a thing
But they say I sure was raisin' some cain
I was a rock star, party hard
Gettin' over you comeback kid
Hey I musta did
What all my friends say
Yeah, yeah, yeah

I was Elvis rockin'
On the bar
Workin' the crowd
Pourin' out my heart
