Luke Bryan, That's My Kind Of Night

I got that real good feel good stuff Up under the seat of my big black jacked up truck Rollin' on 35s Pretty girl by my side

You got that sun tan skirt and boots Waiting on you to look my way and scoot Your little hot self over here Girl hand me another beer, yeah!

All them other boys wanna wind you up and take you downtown But you look like the kind that likes to take it way out Out where the corn rows grow, row, row my boat Floatin? down the Flint River, catch us up a little catfish dinner Gonna sound like a winner, when I lay you down and love you right Yeah, that?s my kind of night!

Might sit down on my diamond plate tailgate Put in my country ride hip-hop mixtape Little Conway*, a little T-Pain, might just make it rain

You can hang your t-shirt on a limb Hit that bank and we can ease on in Soak us up a little moonlight You know I know what you like, yeah!

All them other boys wanna wind you up and take you downtown But you look like the kind that likes to take it way out Out where the corn rows grow, row, row my boat Floatin? down the Flint River, catch us up a little catfish dinner Gonna sound like a winner, when I lay you down and love you right Yeah, that?s my kind of night! Yeah, that?s my kind of night!

My kind or your kind is this kind of night We dance in the dark and your lips land on mine Oh oh oh oh, gonna get our love on Oh oh oh oh, time to get our buzz on

All them other boys wanna wind you up and take you downtown But you look like the kind that likes to take it way out Out where the corn rows grow, row, row my boat Floatin? down the Flint River, catch us up a little catfish dinner Gonna sound like a winner, when I lay you down and love you right Yeah, that?s my kind of night! Come on...
