

# Luke Evans, A Song For You

I've been so many places  
In my life and time  
I've sung a lot of songs  
I've made some bad rhymes  
I've acted out my life in stages  
With ten thousand people watching  
But we're alone now  
And I'm singing this song to you

I know your image of me  
Is what I hoped to be  
I treated you unkindly  
But darling, can't you see?  
There's no one more important to me  
Baby, can't you see through me?  
'Cause we're alone now  
And I'm singing this song to you

You taught me precious secrets  
Of a true love withholding nothing  
You came out in front and I was hiding  
Now I'm so much better  
And if my words don't come together  
Listen to the melody  
'Cause my love is in there hiding

I love you in a place  
Where there's no space or time  
I love you for my life  
You are a friend of mine  
And when my life is over  
Remember when we were together  
We were alone  
And I was singing this song to you

I love you in a place  
Where there's no space or time  
I love you for my life  
You are a friend of mine  
And when my life is over  
Darling please remember  
When we were together  
And I was singing this song for you  
Yes, when we were together  
And I was singing this song to you  
Oh, we were alone  
And I was singing this song to you
