

# Lullacry, Damn You

If the truth won't set you free  
Then a lie will save you  
Can you see the face of the god in me

I am the bringer of your destiny  
Well, goddamn it's not worth the pain

Sell your soul to someone else  
You fool  
Well, goddamn, give my soul a rest  
Damn you

If the faith won't break you down  
Then you must be the one  
Can you feel the hand of the god on you

I am the hammer for you misery  
Well, goddamn it's not worth the pain

Sell your soul to someone else  
You fool  
Well, goddamn, give my soul a rest  
Damn you  
Sell your soul to someone else  
You fool  
Well, temptation loves you anyway  
Damn you, I Damn you

Sell your soul to someone else  
You fool  
Well, goddamn, give my soul a rest  
Damn you  
Sell your soul to someone else  
You fool  
Well, temptation loves you anyway  
Damn you, I Damn you
