

Lullacry, Thorn Of The Rose

Ten times I have fallen
'cos I'm too proud to sin
So easily
It can be heavenly
So come on, let it go

Like a Thorn of the Rose
It's for all of those
Who have nothing more to give to me

Nine times I have risen from
from the eye of the storm
Your light blinds me so easily
Can't find my way back to you

Like a Thorn of the Rose
It's for all of those
Who have nothing more to give to me
Thorn of the Rose

Thorn of the Rose

Your light blinds me so easily
Can't find my way back to you

Like a Thorn of the Rose
It's for all of those
Who have nothing more to give to me
Thorn of the Rose

Thorn of the Rose (4x)
