

# Lullacry, Whisper In The Chaos

You Brought Me Here  
Come With Me And  
Sing A Song Of Misery

I'm The Writing On The Wall  
See What It Means To Call Me,  
Call Me By That Name

Be My Witness  
See How I Became  
A Reflection Of Their Hatred

They Took My Beauty  
Turned Me Into A Beast  
Secret Of My Strenght  
Keeper Of My Soul  
Share My World, Death Is Return  
Your Cradle Will Be Your Grave  
I Came For You, You'll Be With Me  
Whisper In The Chaos
