

Lullacry, Whisper In The Chaos

You Brought Me Here
Come With Me And
Sing A Song Of Misery

I'm The Writing On The Wall
See What It Means To Call Me,
Call Me By That Name

Be My Witness
See How I Became
A Reflection Of Their Hatred

They Took My Beauty
Turned Me Into A Beast
Secret Of My Strength
Keeper Of My Soul
Share My World, Death Is Return
Your Cradle Will Be Your Grave
I Came For You, You'll Be With Me
Whisper In The Chaos
