

# LUM!X, Halo (and Pia Maria - Austria - Eurowizja

Let me be your halo (Halo)  
'Cause we've been through hell and back and out in one night  
Let me be your halo (Halo)  
'Cause Heaven can't wait for us to finish the fight  
And I'm stronger than angels  
I'm feeling so danger  
And I will bring dark to the light  
Let me be your halo (Halo)  
'Cause we've been through hell and back and out in one ni-ight

I think I had the right idea  
Beautiful, something to feel  
For a hundred years (Oh, no, no, no, no)  
We're gonna be written among the stars  
Posin' so we're hustlin' young queens

We can be CEO  
Yeah, you already know  
Yeah, we can be the boss  
Fly higher than the gods  
We're not under control  
And no, no, not anymore  
If you feel me, then put your hands up

Let me be your halo (Halo)  
'Cause we've been through hell and back and out in one night  
Let me be your halo (Halo)  
'Cause Heaven can't wait for us to finish the fight  
And I'm stronger than angels, I'm feeling so danger  
And I will bring dark to the light  
Let me be your halo (Halo)  
'Cause we've been through hell and back and out in one ni-ight

La-la-la-la-love  
La-la-la-la-la-love  
La-la-la-la-la-love  
La-la-la-la-la-love  
Don't need no  
La-la-la-la-love  
La-la-la-la-la-love  
La-la-la-la-la-love  
La-la-la-la-la-love

Let me be your halo (Halo)  
'Cause we've been through hell and back and out in one night  
Let me be your halo (Halo)  
'Cause Heaven can't wait for us to finish the fight  
And I'm stronger than angels, I'm feeling so danger  
And I will bring dark to the light  
Let me be your halo (Halo)  
'Cause we've been through hell and back and out in one ni-ight
