

# Lumidee, Amazed By You

(angelo)

every time our eyes meet, this feeling inside me  
is so much more than i can take  
baby when you touch me, i can feel how much you love me  
and it just blows me anyway  
i've never been this close to anyone or anything  
i can hear your thoughts, i can see your dreams

(chorus)

i don't know how you do what you do  
i'm so in love with you  
it just keeps getting better  
i want to spend the rest of my life  
with you by my side, forever and ever  
every little thing that you do, baby i'm amazed by you  
baby, oo yeah, baby i'm amazed by you  
(every little thing that you do, baby i'm amazed by you)

(lumidee)

from the day we first met (oh my god)  
i knew you were heaven sent  
you my love i can't forget, you will love until the end  
from the way you hold me, your body controls me  
every little thing you do, baby i'm amazed by you

(chorus)

i don't know how you do what you do  
i'm so in love wit u  
it just keeps getting better  
i want to spend the rest of my life  
wit you by my side, forever and ever

(angelo)

the smell of your skin, the taste of your kiss  
when you whisper in the dark  
the air all around me, baby it surrounds me  
touch every place in my heart  
oo and it feels like the first time, anytime  
i want to spend the whole life looking in your eyes(oh my god)

(chorus)

i don't know how you do what you do  
i'm so in love with you  
it just keeps getting better  
i want to spend the rest of my life  
with you by my side, forever and ever  
every little thing that you do, baby i'm amazed by you( baby, oo yeah)  
baby i'm amazed by you  
every little thing that you do, baby i'm amazed by you
