

# Lumidee, Me&you

Could neva except reality in which I was presented livin this crazy life for real could make a gurl da  
hands and knees prayin to God for things to change but every single day it seems like things will st  
is for the worse cuz times I feel my lifes serearth but whose to blame infortations multipule bodies f  
your whole life fade away playin this world like its a game when im wit you I feel no pain now tell m  
[Chorus:]

Can I hold you down how it all so ground cuz there not much I would do to keep you by my side its  
all that can keep me strong but i'll hold that from you until you tell me what we have is true.[2x]

[2nd Verse:]

Sometimes when I think of all the things i've been thru I wanna take myself but then I think of you if  
this world that I'd

rather do then to live and die or if its to be wit you and even though I show you love your still a lone  
when we share are dreams still it ain't enough is it me do I not reach your thoughts and when you g  
you talk (about me) because you know all I do is think about of you do I love you aint no way cuz y  
cuz I live for you cry for you lie for you kill for you and on da real die for you every night before I lay  
get home safe and I cant think straight if I dont kno you Ok I wanna love you wanna hold you wann  
cant you see you are my issue

[Chorus: 2x]

[Bridge:]

We outta chase my betta dreams cuz I can see much bigger things with you Imagine me and you. |

[3rd Verse:]

Imagine me and you against the world aint no one that will go all night just boy and gurl together w  
aint all fun but thats life we live in wont take what its given.
