

# Lumidee, Only For Your Good

[Chorus:]

Dont let it change the good in us, its all i trust, it means so much

[Verse 1:]

Cause im over heels with the way i feel, wouldnt let a thing come between whats real, yes you are  
your my wakeing dreams, tell you in desires i see something else like when im not well yes you are  
one thing that, all you's my every bet

[Chorus x2]

Dont let it change the good in us, its all i trust it means so much

[Verse 2:]

We have things that's new dont mean me and you has to clear and true thats the way we do,cant b  
break my heart in two, so im lovein you baby all the way, and there aint a thing that could eva fade  
that, with you there's no regret.

[Chorus x2]

Dont let it change the good in us, its all i trust it means so much

[Bridge]

Lets not get mis understood, i tell you only for your good, with so much and more you loose, i tell yo  
lets not get mis understood, i tell you only for your good, with so much and more you loose, i tell yo

[Chorus x2]

Dont let it change the good in us, its all i trust it means so much
