

# Lumidee, Stuck On You

Maybe I could be the one for you  
cause baby I don't know what else to do  
I try to play It cool  
I see you walking up and down the street  
with her I can't compete and no she's not special at all  
Is that she has you in a ball

I'm stuck on you it true  
I'm stuck,I'm stuck on you  
I know It's true I cant get past it to  
I'm stuck on you ,I don't know what to do  
I'm stuck on you

I wish that I could be your lucky charm  
I will keep you far away from harm  
that's something she wont do  
so I would stay up late at night  
just to lend you my advise  
talk about other girl's  
when Inside you are my world

I'm stuck on you Its true  
I'm stuck,I'm stuck on you  
I know it's true ,I cant get past it to  
I'm stuck on you ,I don't know what to do  
I'm stuck on you

I wondered If It be the same  
or some how would your feeling's change  
If you knew that I was stuck on you

I wondered If It be the same  
or some how would your feeling's change  
If you knew that I was stuck on you

I'm stuck on you it's true  
I'm stuck ,I'm stuck on you, i know its true  
I can't get past It to, I'm stuck on you  
I dont know what to do, I'm stuck on you
