Luna, Sleeping Pill

No point in screamin Cause I'm only dreamin That you came to pieces And I came in peace You're always loaded Your life has imploded Nine weeks of hell, man But I'm feelin swell And in my dreams I slash your tires And in my dreams I set these fires And all your fears, it's nothing new And all your tears, they won't help you You're always posin And I was imposin But I turned the tables And I'm feeling fine You're always loaded Your life has imploded Nine weeks of hell, man But I'm feelin swell And in my dreams I slash your tires And in my dreams I set these fires And all your fears, it's nothing new And all your tears, they won't help you And all your fears, it's nothing new And all your tears, they won't help you
