

# Lunachicks, Makin' It

I'm makin it with other species  
lickin up thier little feces  
a german shepard, a big strong leopard  
they do it better than any man can!

\*Chorus\*

Makin it with other species  
Makin it with other species  
Makin it with other species  
Makin it with other species

china was, monkeys too, salamanda's stick like glue,  
a big cow or just a horse  
and a little duck of course  
little chicken, big fat hen  
all the tigers in the den  
a porqupine is kinda kinky  
gerbils can be pretty stinky  
any animal any size I love then all  
you gotta realize  
don't talk back  
even if they explode.

\*Chorus\*

little hamster you feel so fine  
your soft fur Is just sublime  
I'm makin it with other species
