

# Lunachicks, Superstrong

your cotch is burning  
aint that a shame  
too bad I'm not the one to blame  
you say you hate me  
well, good 'cause I hate you  
I dont know why, but Henry told me to

chorus

take this! take that!  
but no one is going to take my FUCKIN rights back

dont touch me in the street... no!

uncertain damage done to my ears  
'cause some motherfucker did'nt like my shoes  
we'll its too bad, you made me mad  
because I know where you live... aaha

chorus

take this, take that  
but no one is ever going to take my FUCKING rights back  
dont touch us in the street  
'cause we aint your tits & meat  
because where fuckin women  
thats right

well its too bad you made us mad  
'cause we know where you live.. aaha  
dont look too long  
'cause chicks are superstrong  
you've got no right to touch us  
you are all dead wrong!
