

Lunachicks, The Return Of Brick Face & Stucco

Baby's so big now
What will she be?
Will she have a beard like Mom
Or wear hi-heels like Daddy?

She's all set up with balls and trucks
With sugar and with kiss dolls and with lots of luck!

Oh little linoleum
What will you be?
The return of Brickface and Stucco
You're growing wild and free
You're staring at the wall
Are you wondering?

Oh Mommy, oh Daddy!
I'm changing!
Oh Daddy, oh Mommy!
I'm thinking!

Brickface turns to Stucco
With wonder in his eye
Will we have we done the right thing?
I know how hard we've tried

With ballet and trombone and Kung Fu at the Dojo
She's growing up so strong with full of pride!

Oh little linoleum
Far out to sea
The return of Brickface and Stucco
You're growing wild and free
Do you think you'll become
A shim or she?
You're staring at the wall
What are you thinking?

I know how hard we've tried
And I am glad you're full of pride!

Oh Mommy, oh Daddy!
I'm changing!
Oh Daddy, oh Mommy!
I'm thinking!
Oh Mommy, oh Daddy!
I'm growin!
Oh Daddy, oh Mommy!
I'm aching, yeah!!

I am also full of pride
And I know how hard you've tried!
