

# Lupe Fiasco, And He Gets The Girl

Yo

[Pharrell:] Hold it now

Uh

[Lupe Fiasco: spoken]

Get up and just walk up to her and say(go over there) hi

That's all you gotta do is say hi

That's all you gotta do

Is say hi

Aight?

Come on

[Pharrell:] Hold it now

Well I know I'm not the coolest  
And this might sound kind of foolish  
Cause I know I'm not the smoothest  
Told myself I shouldn't do this  
Cause I'm not very well suited  
Not the popularist of students  
We ain't in the same crowd  
Always see you with the hoopers  
But we got the same lunch  
You might see me with the cooler  
That's cause I don't eat pork  
You can never be surer  
Oh you like Linkin park  
Thats the hat from the tour  
I got a autographed shirt they wrote much love 2 ya  
Man that's really funny how we like the same music  
But I really love jazz  
I was gonna play the tuba  
I tried to join the band they said I was really really bad  
Didn't really make me sad  
I'm used to being the loser  
But you, I think you're super  
So much, I had to pursue ya  
I don't believe the things they say or the football teams rumors  
The quarterback cant spell  
I'm his after school tutor  
I just took a cue from cupid but  
Now I think its stupid  
I'm-I'm sorry  
And then I walked away  
Thinking that she would never talk to me  
Like what were you thinking  
Bringing up the band  
You would have got a better result  
If would have just beat her up and ran  
You shouldn't've worn your glasses  
Take your shirt up out your pants  
See now its all over  
And you wont get another chance  
Damn  
I was so close to her  
Then I felt a hand on my shoulder[Pharrell:] Hold it now  
She said I know your not the coolest but I swear you are the cutest  
And I no u played the tuba  
I seen you at the recital  
It takes a lot to get up there and embarrass yourself  
But you shouldn't put down you should merit yourself  
That just mean you not a punk  
I like "The Loneliest Monk"  
He's the wallpaper on my computer  
I love final fantasy

I hate first person shooters (me too)  
"Metora" was nice  
But I bought "Hybrid Theory" twice  
Half of the cheerleading squad is in the stupor  
The only reason I do it is cause my mother took state when she was a junior  
And she want me to do the same so im like naw  
I wanna be an oncologist and diagnose tumors  
I gotta a pet parrot his name is mister tuna  
My favorite food is fish  
Remember that for the future  
My IM name is miss luna you can hit me after six  
(how you feeling right now?)yes yes yes yes yes  
Come Seymour we have things to do  
(how you feeling rite now?)  
[Woman:] that was wonderful...he did things to me you've never done before  
Huuuuu your that nerd  
[Man:] yea  
Woman: oh god you were wonderful  
[Man:] thanks
