

Luscious Jackson, Radiating

I know you're waiting
Just to get laid
Shade is saying
Stay the f**k away

Break it down and get small x4
Stop radiating violations x2

You're on a wire
You've got a cop in office

You're on a wire
You've got a cop in office

Here's for living honest
Instead of uptight
Body bags for
Everyone who isn't all right

Break it down and get small x4
Stop radiating violations x2
