Lush, 500

Shake, baby, shake You know I can fit you in my arms Brake, baby, brake Taking me in with all your charms

I've never been inside you but you're so alluring They call you "little mouse" by name in Rome and Turin Looking now at your famous shape They don't make them like you anymore

Shake, baby, shake You know I can fit you in my arms Brake, baby, brake Taking me in with all your charms

When things are looking good there's always complications I can't be with you so I'm at the railway station Let's run away and be so alive Escape the drudgery of this nine to five

Shake, baby, shake You know I can fit you in my arms Brake, baby, brake Taking me in with all your charms

Shake, baby, shake You know I worship from afar Brake, baby, brake How I wish you were my car

Shake, baby, shake You know I can fit you in my arms Brake, baby, brake Taking me in with all your charms

Shake, baby, shake Shake, baby, shake Shake, baby, shake Shake, baby, shake I will
