

Luther Vandross, Always And Forever

Always and forever
Each moment with you
Is just like a dream to me
That somehow came true, yeah

And I know tomorrow
Will still be the same
Cuz we got a life of love
That won't ever change and

[1] - Everyday love me your own special way
Melt all my heart away with a smile
Take time to tell me you really care
And we'll share tomorrow together
Ooh baby, I'll always love you forever

Ever, ever, ever
There'll always be sunshine
When I look at you
It's something I can't explain
Just the things that you do
If you get lonely
Call me and take
A second to give to me
That magic you make and

[Repeat 1]

[Ad lib until fade]
