

Luther Vandross, Dream Lover

Dream lover please be mine
I love you every night
Dream lover where are you?
You're the only one I'll ever love, uh huh
Dream lover of my dreams
I only see you when I dream my dream
I love you endlessly
I wake up nervous in a sweat
Don't ever wake me up
Don't wake me up
Dream lover you're the only one I love

It's only you who satisfies me
You mesmerize and mystify me
I'll never get this feeling from any other
And I really miss you in the morning

Dream lover you and I
Are two lovers of the night
Dream lover hope you see
You're the only one I'll ever love, uh huh
Dream lover of my dreams
I only see you when I dream my dream
I love you endlessly
I wake up nervous in a sweat
Don't ever wake me up
Don't wake me up
Dream lover you're the only one I love

How I wish that I could keep you
But I'll just see you when I see you
I wish the night would last just a little longer
Cuz I really miss you when it's morning

After each night, the day seems long
For dream lovers who wait to rush into each other's arms
It's you that keeps me dreaming

Dream lover please be mine
I love you every night
Dream lover where are you?
You're the only one I'll ever love, uh huh
Dream lover of my dreams
I only see you when I dream my dream
I love you endlessly
I wake up nervous in a sweat
Don't ever wake me up
Don't wake me up
Dream lover you're the only one I..

Love of my love
Dream of my dream

[Repeat above until fade]
