

# Luther Vandross, It's All About You

Baby

Let me dry the raindrops from your beautiful hair  
That's all I ever want to do  
And darling  
Let me be the one that you can always depend on  
You know I'll never let you down

Cause I

Want to spend my whole life just hoping  
That I can please you  
Cause that's all I ever want to do

Chorus:

It's all about you  
It's not about me  
There is no one more beautiful than you are to me  
It's all about you  
It's not about me  
And I'm proud to know that you have me here by your side

Cause it's all about you, hey hey, hey hey...

Lady

I will be the sunshine that brightens up your way  
And it doesn't have to be a special day  
Please  
Let me take you to a sacred place where only lovers go  
Our own little hideaway

Cause I

Want to spend my whole life just hoping  
That I can please you  
Cause that's all I ever want to do

Chorus

Girl, I've searched  
All over the world  
Trying to find that special girl  
But when I looked into your eyes I knew (you were the one, girl)  
For me  
So now I'm giving my life to you  
So whatever you want, whatever you need  
I'm willing and able to give

Chorus
