

# Lutomysl, Jet Black Metal Art

Loneliness... Nothingness...  
Cold, desolate landscapes...  
Symphonies of Pain, Hate and Scorn  
Under Morning Star were born -  
Desecrating the holy,  
Rejecting the law  
Art of Rebellion -  
Black Metal War!  
No salvation...  
No repentance...  
No preys...  
Coldness!  
Hunger!  
Pain!  
No forgiveness...  
No weakness...  
No faith...  
Hatred!  
Scorn!  
Intolerance!  
Jet Black Metal Art -  
Fallen Angel's Wings!  
Jet Black Metal Art -  
Songs of unheard strings!  
Jet Black Metal Art -  
Sparks of Scorn and Hate!  
Jet Black Metal Art -  
Jerks of Damned Fate!  
Jet Black Metal Art -  
His Blinding Shining Gleam!  
Jet Black Metal Art -  
Never-ending Bloody Stream!
