I sometimes think that after a drink or two  
I shouldn't be living in Dallas

I'd go far from the city  
I would read the graffiti  
and I would buy me an oceanside palace  
Plano, Texas, USA  
This is what I've got to say  
Plano, Texas, USA  
I do things in my own way  
I think it's cool, when I skinnydip in my pool  
and the neighbors looking  
and I'm breaking the rules

I won't conform ya'll  
to the norm ya'll  
I think I go and do what I wanna do

Plano, Texas, USA...

and the feeling is strong  
and it's lingering on  
I've gotta move on  
and it's almost night  
I think I'll put on my thong  
let's get it on

Plano, Texas, USA...
